

Reader Zone

GOAL-BASED READING PROGRAMS

are an important tool to help students build reading skills. We are using an internet-based system called Reader Zone for our reading programs.

This means:

-  No more paper reading calendars!
-  Use a smart phone app to log reading.
-  See your student's reading progress in real time.

What next:

1. Search for “**Reader Zone**” at your app store.
2. Install the app on your Android, Apple or Amazon device.
3. Make an account and add your reader(s).
4. Join our reading program with our code:

Please let us know what questions you have.

Happy Reading!
